

***The Life of Gargantua and of Pantagrue* (in French, *La vie de Gargantua et de Pantagrue*) is a connected series of five novels written in the 16th century by François Rabelais. It is the story of two giants, a father (Gargantua) and his son (Pantagrue) and their adventures, written in an amusing, extravagant, satirical vein. There is much crudity and scatological humor as well as a large amount of violence. Long lists of vulgar insults fill several chapters.(Summary by Wikipedia)**
